

INSURICA EXPANDS SURETY PRACTICE

OKLAHOMA CITY, OK – April 16, 2010 – INSURICA Insurance Management Network announces the hiring of Dillon B. Rosenhamer of Edmond, OK, to augment their strong presence in the surety marketplace.

Mr. Rosenhamer is a graduate of Oklahoma State University where he received a Bachelors Degree in Science and Business Administration with a major in Finance and Marketing. Since that time Mr. Rosenhamer has worked exclusively in the banking industry and most recently as an Assistant Vice President in Commercial Lending with First Fidelity Bank (FFB) in Oklahoma City. While at FFB, Mr. Rosenhamer underwrote and maintained a large commercial loan portfolio. Dillon will be working closely with INSURICA veteran bond man, John R. Mackey. Mr. Rosenhamer will be responsible for assisting INSURICA clients obtain and manage their surety relationships.

“Dillon has a personality and work ethic that is highly valued, and is consistent with the kind of quality people that are highly sought-after in the business community. By leveraging his experience in credit analysis and the collective surety experience found at INSURICA, we will continue our rich tradition of service excellence in this unique industry segment,” said Mike Ross, President and CEO of INSURICA.

INSURICA is one of the nation’s 100 Largest Insurance Brokerages and specializes in twelve core industry segments plus employee benefits and personal insurance. Headquartered in Oklahoma City, the agency serves local communities with offices throughout Oklahoma, Kansas, Arkansas, Texas, Arizona, California, Oregon and Alaska. A consistent “Best Places to Work” and “Best Practices Agency”, INSURICA is a recognized leader for their industry expertise and community involvement.
